Mr. Blair M. Johnson
US Patent and Trademark Office

Dear Mr. Johnson,

I would like to resubmit the attached claims and diagrams to my patent application for The Mosquito Curtain (Application # 10/826,625). As you have suggested to me, I have included both a "kit" claim and "method" claims. You

I deeply apologize for any errors you may encounter. I have sought professional assistance, however I did not want my application to expire before professional help was available.

A note to consider is that I used Markush group claims "...selected from a group consisting of:" In addition, since the hook and loop attachment may be subject to disqualification based on prior art, I have also used combination claims.

Best regards,

Kurt Jordan
